

BROWN BAG LUNCHEON

JULY 28, 2006*

NOON to 1:30 p.m.

FEDERAL COURTHOUSE

Courtroom 100, 212 North Wahsatch Avenue, Colorado Springs

We invite you to participate in an informal, brown bag roundtable discussion. We would like to solicit your comments and concerns in regard to practicing under BAPCPA for almost one year.

To start a discussion, we would like to ask you for your insights on how it is to practice under the Court's guidelines on extending the automatic stay, the new Chapter 13 procedures, and the new filing requirements. We are interested to learn how much additional time you spend on each case, given all of the new requirements under the law, and what increase in the presumptive fee for Chapter 13 cases you think is appropriate. (Two CLE credit hours have been awarded for this event.)

We hope you will join us on July 28th!

Elizabeth E. Brown, Bankruptcy Judge
